Total Complaints for 1986	205

During the year of 1986, the police department totaled 205 complaints, which is just over last years total of 202. Total manhours were also increased from 702.5 hours to 719.5 hours. Total mileage put on the officer's vehicles did drop this year to 5,524.5 miles from 6,017 miles last year. This was partly because we were able to combine some out of town training trips with other departments in the County.

This past year we have had more anonymous calls than in previous years. I am pleased that more people are calling the police when they see something that looks out of place. Even though most calls were found to have no criminal intent, they were checked out. However, the department is still getting complaints about incidents that have occurred several days prior. I want to state again that the police should be notified anytime something looks suspicious. The police department is always interested in checking these things out but, we are unable to do so if we are not made aware of them when they are occurring. For residents who are unaware of how to contact the police for help, below is the procedure that should be followed to get police assistance at any time.

1. **DIAL 352-1100.** This is Mutual Aid Dispatch Center. These people dispatch for all of the smaller towns in the county.

2. If you are reporting an emergency situation, **STAY CALM.** Be sure to answer all questions that are asked of you and also offer any information that you feel may be helpful. Give **EXACT LOCATIONS** or **DETAILED INSTRUCTIONS** on how to get to the problem. Bear in mind that there are no house numbers and people responding to assist you will be guided by your instructions only. Members of the Roxbury Police Dept. may know you but the New Hampshire State Police may not.

3. Do not ask for a specific member of the Police Dept., if you have a problem. In doing so will delay response to your call. The police department is a part time department and the person you ask for may be unavailable. The dispatcher will get the message to the officer you asked for eventually but you may not be contacted for some time. If you report the incident, they will attempt to page someone from Roxbury PD. If they are unable to make contact with one of us, they will relay the call to the New Hampshire State Police. Bear in mind however, that the State Police cover the entire county and they handle calls on a priority basis.

If this procedure is followed, police assistance will be obtained as soon as possible.

One of the problems this town has that has been increasing over the past few years is motor vehicle violations. I am aware of this but due to the increase in criminal complaints that have been received, the time is not available to curb these problems to any large degree. I have been in contact with the Selectmen about this and with their support, this year we can make a more concentrated effort in this area.

In closing, I want to again thank the Townspeople for their continued support and assistance. If anyone wishes to speak to myself or Deputy Chief Neal Collier for any reason, do not hesitate to call. We will be glad to assist you in any way we can.

Respectfully submitted,
Chief Earl D. Nelson
Roxbury NH Police Dept.

TOWN AUDITOR'S REPORT

This is to certify that I have examined the books of the Town of Roxbury for the year ending December 31, 1986.

I have examined the books and records of the Town Clerk, Town Treasurer, Tax Collector, Selectmen and Trustees of Trust Funds. I find that the books and records of the town reflect its true financial condition as of December 31, 1986 to the best of my knowledge and belief.

I find that the Town Clerk, Town Treasurer, Tax Collector, and Trustees of Trust Funds are bonded by surety companies as required by law. Uncollected taxes reported by the Tax Collector have been verified by written notice.

I would suggest that the town officials attend the meetings of the various associations of which they are members, as much may be gained from these sessions.

Respectfully submitted,
David A. Gregory,
Town Auditor

First it was clarified in the discussion that \$250.00 was for the running of the Fire Department and the balance or \$400.00 actually for the radio. The Selectmen felt that a used one could be obtained more cheaply or

for free through Civil Defense. Some residents felt that communication during a forest fire was too important to be relied on used radio equipment. To see if the Town will vote to raise and appropriate the sum of \$16,276.09 for highway construction and reconstruction. **Selectmen's Comment:** These funds for expenditure are designated to the Town through the Highway Block Grant Fund. The appropriation does not affect your tax rate, but to be properly expended, a vote is required. Motion carried.

Article 12. To see if the Town will vote to raise and appropriate the sum of \$200.00 as the Town's planning expenses and it's share of expenses for the operation of the Southwestern New Hampshire Regional Planning Commission.
